Precision Nonwire Wound Variable Resistor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5905-01-537-3197

End Application:
Controllable pitch propeller
Special Features:
Minus 55 to plus 125 degrees celsisus operating temperature; 60 volts dcsupply voltage; 0.01 per cent total resistancepball bearings;
continuous rotation
Precious Material And Location:
Terminals gold
Precious Material:
Gold
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
