**Body Style:**

Rectangular w/mounting hole/slot

**Body Length:**

1.690 inches

**Body Width:**

1.020 inches

**Body Height:**

1.970 inches

**End Application:**

Connector housing 596.289 and terminals c-2004

**Features Provided:**

Switch

**Electrical Resistance Per Section:**

21.0 ohms single section

**Special Features:**

All parts are black in color

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A002a0
