End Application:

Control station, above deck 185630; control station, below deck 185799

Product Name:

Potentiometer, 1kohm

Special Features:

Operator only without resistive element; corrosion resistant; water and oil tight; 30.5mm type 4/4x; selector switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A001a0
