**End Application:**

Control station, above deck 185630; control station, below deck 185799

**Product Name:**

Potentiometer, 1kohm

**Special Features:**

Operator only without resistive element; corrosion resistant; water and oil tight; 30.5mm type 4/4x; selector switch

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A001a0
