Product Name:

Mp900 series kool-pac power film resistor

Special Features:

Model mp930; package to 220 sytle; resistance min.0.020 ohms, max 4.99k; 30watts power ratin (derating using casetemperature-tc) ; 250 max.Voltage; thermal resistance film to case 4.17 degreescelsius/watt; max temp.150 degrees celsius; ceramic mounting surface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A001a0
