Maximum Operating Temp:

70.0 degrees celsius

Product Name:

1756 controllogix xt

Special Features:

Atmospheric protection through conformally coated modules and ansi/isa-571.04-1985; class g1, g2, and g3 environmental capability; iec 61131-2 capability for vibration and emi

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A086a0
