Body Length:

6.8 millimeters

Body Width:

6.8 millimeters

Body Height:

5.0 millimeters

End Application:

Ts63

Product Name:

Multi-turn surface mount miniature 1/4 inch square cermet trimmers.Fully sealed

Special Features:

Ohmic value: 103; 0.25w at 85 degrees c; industrial grade; multi-turn operation; low contact resistance variation (down 2 percent rn); full seating; tests according to cecc 41 000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A002a0
