**Inclosure Method:**

Encased

**End Application:**

Misc parts cmd x surveil nacu 0002

**Product Name:**

Potentiometer

**Special Features:**

Hot molded carbon element; gold plated terminals; stainless steel shaft and housing; resistance range-linear taper 50 ohms to 5 megaohms; resistance range-logarithmic taper 150 ohms to 1 megohm; resistance tolerance porm 10% or porm 20%

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A001a0
