Product Name:

Pneumatic fire overheat detector

Special Features:

Hermetically sealed; inert helium gas filling; fire alarm temp 1000 deg; overheat alarm 550 deg; resistance 6810 ohm; I 8ft; pressure increase w/temp rise; 6606-7014 ohm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A086a0
