Product Name:

1/4 in single turn surface mount cermet trimming potentiometer

Special Features:

Oper. Temp range -55 degrees c to +125 degrees c; res range, ohms 10 to 1meg; end res, max. 2 ohms, actual elec travel, nom. 220 deg

Supplementary Features:

Mech. Stops solid; metal housing .250; 100 units per box,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A002a0
