Section Quantity:

1

Body Style:

Rectangular

Body Length:

0.648 inches

Body Height:

0.174 inches

Actuator Type:

Single shaft

End Application:

B-1 aircraft

Mounting Method:

Snap-in

Electrical Resistance Per Section:

50.0 kilohms single section

Product Name:

Square trimpot trimming potentiometer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A002a0
