Body Style:

W/mtg tabs/flanges, terminal (s) on one surface

Body Length:

1.312 inches

Body Width:

2.156 inches

Body Height:

2.594 inches

Schematic Diagram Designator:

No common or grounded electrode (s)

Capacitance Value Per Section:

2.250 microfarads single section

Tolerance Range Per Section:

-6.00 to 6.00 percent single section

Case Material:

Metal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
