Mounting Method:

Printed circuit

Component Quantity:

10 and 16

Component Controlling Agency:

International business machines corp

Component Name:

Fixed capacitor

Component Identifying Number:

6083376 part no. And 6095579 part no.

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
