Overall Length:

0.875 inches

Overall Diameter:

0.312 inches

Mounting Method:

Bushing

Component Quantity:

1 and 1

Component Controlling Agency:

Jfd electronics

Component Name:

Fxd ceramic dielectric capacitor; variable glass capacitor

Component Identifying Number:

Wy02300k part no. And mc601y part no.

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
