Overall Length:

3.750 inches

Overall Height:

0.813 inches

Overall Width:

0.750 inches

Component Quantity:

5

Component Controlling Agency:

Sangamo electric co

Component Name:

Fixed mica dielectric capacitor

Component Identifying Number:

M-49 type no.

Component Relationship:

Not matched

Special Features:

Includes one locating pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
