**Overall Length:**

1.111 inches

**Overall Diameter:**

0.385 inches

**Mounting Method:**

Tab

**Component Quantity:**

1 and 1

**Component Controlling Agency:**

Erie technological products inc

**Component Name:**

Fixed mica dielectric capacitor, variable plastic dielectric

**Component Identifying Number:**

652-025 type no. And 530-000 type no.

**Component Relationship:**

Not matched

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T172-f
