Overall Length:
1.750 inches
Overall Diameter:
0.125 inches
Mounting Method:
Screw
Component Quantity:
1
Component Controlling Agency:
Hazeltine electronics corp
Component Name:
Fixed ceramic dielectric capacitor
Component Identifying Number:
C01398-1 part no. And c01398-2 part no.
Component Relationship:
Not matched
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T172-f
