Overall Length:

1.750 inches

Overall Diameter:

0.125 inches

Mounting Method:

Screw

Component Quantity:

2

Component Controlling Agency:

Hazeltine electronics corp

Component Name:

Fixed ceramic dielectric capacitor

Component Identifying Number:

C01398-1 part no.

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
