Overall Length:

0.460 inches

Overall Diameter:

0.250 inches

Mounting Method:

Terminal

Component Quantity:

2

Component Controlling Agency:

Aerovox corp

Component Name:

Fxd ceramic dielectric capacitor

Component Identifying Number:

Bc-470m-s1 type no.

Component Relationship:

Unconnected matched pair

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
