Overall Length:

0.400 inches

Overall Diameter:

0.200 inches

Mounting Method:

Bracket

End Application:

Type an/blr-1

Component Quantity:

3

Component Controlling Agency:

Collins radio co

Component Name:

Fixed mica dielectric capacitor

Component Identifying Number:

912-0838-00 part no.

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T172-f
