Overall Length:

0.781 inches

Overall Diameter:

0.438 inches

Mounting Method:

Bracket

End Application:

Type no. An/apr-9

Component Quantity:

3

Component Controlling Agency:

Stromberg carlson co

Component Name:

Fixed mica dielectric capacitor

Component Identifying Number:

Dwg no. Sc-650364

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
