Capacitor Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5910-00-669-2868 **Overall Length:** 0.938 inches **Overall Diameter:** 0.438 inches **Mounting Method: Bracket End Application:** Type no. An/apr-9

Component Controlling Agency:

Loral electronics corp

Component Quantity:

Component Name:

Fixed mica dielectric capacitor

Component Identifying Number:

Part no. B-53-150

Component Relationship:

Unconnected matched pair

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T172-f
