Overall Length:

0.600 inches

Overall Height:

0.310 inches

Overall Width:

0.334 inches

Mounting Stud Length:

0.065 inches single mounting facility

Accommodated Item Securing Device Type:

Friction fastener

Mounting Facility Type And Quantity:

1 threaded stud single mounting facility

Material:

Plastic polypropylene

Surface Treatment:

Any acceptable

Style Designator:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
