Inside Diameter:

2.000 inches

Overall Length:

3.000 inches

Overall Height:

0.750 inches

Overall Width:

2.062 inches

Unthreaded Mounting Hole Diameter:

0.156 inches single mounting facility

Distance From Retainer Center To Centerline Of Mounting Facility:

Any acceptable

Angle Between Adjacent Mounting Facilities In Deg:

Any acceptable

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Metal

Surface Treatment:

Cadmium

Style Designator:

Srew clamp, footed hole mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
