Inside Diameter:

2.562 inches

Overall Length:

3.438 inches

Overall Height:

1.125 inches

Overall Width:

2.562 inches

Unthreaded Mounting Hole Diameter:

0.281 inches single mounting facility

Distance From Retainer Center To Centerline Of Mounting Facility:

1.281 inches

Angle Between Adjacent Mounting Facilities In Deg:

120.0

Accommodated Item Securing Device Type:

Clamp

Mounting Facility Type And Quantity:

3 unthreaded hole single mounting facility

Material:

Stainless steel

Surface Treatment:

Cadmium

Style Designator:

Srew clamp, footed hole mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
