Inside Diameter:

1.930 inches

Overall Length:

2.375 inches

Overall Height:

0.725 inches

Overall Width:

2.000 inches

Unthreaded Mounting Hole Diameter:

0.156 inches single mounting facility

End Application:

Teletypewriter set an/ugc-14 (v)

Distance From Retainer Center To Centerline Of Mounting Facility:

1.255 inches

Angle Between Adjacent Mounting Facilities In Deg:

180.0

Accommodated Item Securing Device Type:

Clamp

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Steel

Surface Treatment:

Cadmium

Style Designator:

Srew clamp, footed hole mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
