**Terminal Quantity:**

2

**Terminal Type:**

Threaded stud

**Capacitance Value:**

50.0 microfarads

**Capacitance Tolerance In Percent:**

-10.0/+10.0

**Component Quantity:**

2

**Component Controlling Agency:**

General electric, capacitor products dept

**Component Name:**

Capacitor, fixed, metallized, paper-plastic dielectric

**Component Identifying Number:**

26f6912fc part no.

**Component Relationship:**

Connected matched pair

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T172-f
