Mounting Method:

Solder

End Application:

B52g/h strategic radar

Component Quantity:

3

Component Controlling Agency:

Military specification

Component Name:

Capacitor

Component Identifying Number:

-39022-02-1321 part no.

Component Relationship:

Not matched

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
