End Application:

Fuel mass flowmeter indicator, ametek aerospace products inc

Capacitance Value Per Section:

47.000 microfarads single section

Tolerance Range Per Section:

-10.00/+10.00 percent single section

Special Features:

300 volts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A010b0
