Mounting Method:

Plate and strap

Component Quantity:

38

Component Controlling Agency:

Harris corp

Component Name:

Fixed ceramic dielectric capacitor

Component Identifying Number:

6902-0335 part no. And 6902-0365 part no.

Component Relationship:

Matched for resultant resistance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
