Mounting Method:
Plate and strap
Component Quantity:
38
Component Controlling Agency:
Harris corp
Component Name:
Fixed ceramic dielectric capacitor
Component Identifying Number:
6902-0335 part no. And 6902-0365 part no.
Component Relationship:
Matched for resultant resistance
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T172-f
