Overall Length:

6.520 inches

Overall Height:

0.063 inches

Overall Width:

3.470 inches

Unthreaded Mounting Hole Diameter:

0.500 inches all mounting facilities

End Application:

Power conditioner; 04801, 900-23520

Mounting Facility Type And Quantity:

8 unthreaded hole all mounting facilities

Special Features:

Mfr list as capacitor gasket

Style Designator:

Rectangular with/without mounting holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
