**End Application:**

Gear weapons, los angeles class (688)

**Component Quantity:**

34

**Component Controlling Agency:**

Miller electric manufacturing

**Component Name:**

Capacitor assembly, light industrial products

**Special Features:**

Assembled per assembly no. 185644

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T172-f
