Capacitor Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5910-01-510-1277

End Application:
Gear weapons, los angeles class (688)
Component Quantity:
34
Component Controlling Agency:
Miller electric manufacturing
Component Name:
Capacitor assembly, light industrial products
Special Features:
Assembled per assembly no. 185644
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No

Fiig: T172-f
