| Body Style:                          |
|--------------------------------------|
| W/o mtg facilities, radial terminals |
| Reliability Indicator:               |
| Not established                      |
| Electrical Polarization:             |
| Polarized                            |
| Terminal Surface Treatment:          |
| Solder                               |
| Shelf Life:                          |
| N/a                                  |
| Unit Of Measure:                     |
|                                      |
| Demilitarization:                    |
| No                                   |
| Fiig:                                |
