Capacitor Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5910-01-518-0040

Mounting Method:
Tab
End Application:
Seawolf class ssn
Component Quantity:
3
Component Controlling Agency:
Drs power and control technologies inc.
Component Name:
Electroytic capacitor assembly
Component Identifying Number:
34-3879 part no.
Component Relationship:
Connected matched pair
Special Features:
Consists of: mounting block 1ea, p/n 17-22870; capacitor 2ea, p/n 34-3313-13; miscellaneous hardware and wire
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
T172-f
