**Overall Length:**

5.800 inches

**Overall Height:**

0.250 inches

**Overall Width:**

1.200 inches

**Unthreaded Mounting Hole Diameter:**

0.116 inches third mounting facility and 0.123 inches third mounting facility

**End Application:**

Patriot guided missile system

**Product Name:**

Retainer, capacitor assembly

**Material:**

Plastic

**Style Designator:**

Rectangular with/without mounting holes

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A062a0
