End Application:

Nsn 6665-01-452-9644; detection system, biological agent

Component Relationship:

Connected matched pair

Special Features:

Jca capacitor assembly: capacitor, 15uf, 35v; connector, 2 position; heat shrinkable tubing, white and rtv

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T172-f
