C series c1608 (eia cc0603) types

Special Features:

Case size: 1.6 mm length x 0.8 mm width; rated voltage: 50 volts dc; packaging style: punched (paper) taping (180mm reel); temperature

-30 to +85 c; dissipation factor: 5% max

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
