Body Style:

Chip type

Body Length:

Between 0.115 inches and 0.135 inches

Body Width:

Between 0.085 inches and 0.105 inches

Body Height:

0.080 inches

Product Name:

High voltage capacitor

Special Features:

Termination ni barrier with 100% sn plating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A010b0
