Ceramic Dielectric Fixed Capacitor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5910-01-595-2555

Body Style:
Chip type
Body Length:
0.063 inches
Body Width:
0.032 inches
Body Height:
0.035 inches
Product Name:
Atc600b series ultra-low, high q esr, npo rf and microwave capacitors
Special Features:
Lowest esr in class; highest working voltage in class - 250v; standard eia size: 0603; laser marking (optional) rohs complaint; high self
resonance frequencies.
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A010b0
