Product Name:

Solid tantalum chip capacitors tantamount, commercial, surface mount

Special Features:

Voltage rating 4 wvdc to 50 wvdc; capacitance range: +/- 20%, +/- 10% standard; compatible with high volume pick and place equipment; 106 pf capacitance; dc voltage rating at +85 degrees celcius 6.3v; capacitance tolerance +/- 10%; 100% tin terminations, 7" (178 mm) reel.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A010b0
