Overall Length:

1.000 inches

Overall Height:

11.063 inches

Overall Width:

0.220 inches

Unthreaded Mounting Hole Diameter:

0.438 inches all mounting facilities

Mounting Facility Type And Quantity:

1 unthreaded hole all mounting facilities

Product Name:

Capacitor lock down

Special Features:

Includes capacitor lock down strip and assembly hardware

Height:

10.000 inches

Material:

Copper and plastic epoxy and glass fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
