Body Length:

0.287 inches

Body Width:

0.169 inches

Body Height:

0.157 inches

Product Name:

Solid tantalum chip capacitor

Special Features:

Capacitance rating: 477.00 picofarads; capacitance tolerance: 10.00%; lead material: 100.00 tin plated and reflowed leads; low esr industrial grade;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A010b0
