Overall Height:

1.120 inches

Inside Length:

0.810 inches

End Application:

Control-indicator, c-8568/arm-9 (v)

Accommodated Item Securing Device Type:

Bracket

Mounting Facility Type And Quantity:

2 threaded hole single mounting facility

Thread Size:

0.250 inches all mounting facilities

Material:

Aluminum alloy

Surface Treatment:

Chromate

Thread Series Designator:

Unf all mounting facilities

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
