Air traffic control central an/tsq-120

General Description:

Encased; plug-in mounting; six pin terminals; 2.230 in. height; 0.800 in. body length; 0.460 in. body width; 15.0 volts dc operating voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
