Radio Frequency Interference Filter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5915-01-496-3199

End Application:
Pilot simulator hawkeye
nclosure Type:
Hermetically sealed
Special Features:
Power line filter; 277 vac line to ground; 480 vac line to line at power line frequencies from 0 to 60 hz; 120 vac operating voltage at 400 h
for use in shielded rooms
Shelf Life:
N/a
Jnit Of Measure:
-
Demilitarization:
∕es - demil/mli
