Radio Frequency Interference Filter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5915-01-539-5492

Inclosure Type:
Encased
Product Name:
Filter multi-stage
Special Features:
Voltage rating: 28 vdc; line frequency: n/a; current rating: 2x 2 amps; operating temp -30 to +70 c; line terminations d38999/20fc4pn;
load terminations: solder lugs; sealed metal casing
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
