**Overall Length:**

17.000 inches

**Overall Height:**

10.500 inches

**Overall Width:**

17.000 inches

**End Application:**

Vfd matrix

**Reference Frequency Per Function:**

60.0 hertz single band pass

**Inclosure Type:**

Uninclosed

**Product Name:**

Matrix harmonic filter

**Special Features:**

480 vac operating voltage; 128 amp operating current

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A047b0
