Overall Length:

17.000 inches

Overall Height:

10.500 inches

Overall Width:

17.000 inches

End Application:

Vfd matrix

Reference Frequency Per Function:

60.0 hertz single band pass

Inclosure Type:

Uninclosed

Product Name:

Matrix harmonic filter

Special Features:

480 vac operating voltage; 128 amp operating current

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A047b0
